Do Not Call Policy

INTRODUCTION:

Marketing is a vital function for The Dime Bank. The efforts of this process serve the bank in numerous ways including: to promote the overall awareness of the institution; to draw attention to the product and service mix that the bank offers; to match those products and services to the needs of our customers, both existing and potential; and to enhance the overall growth of the bank.

One of the methods by which marketing efforts are conducted involves the use of telephonic communications. The purpose of this policy is to establish procedures for marketing-directed telephone calls made by, or on behalf of the bank, so as to ensure compliance with all applicable laws and regulations.

GUIDELINES:

The Board of Directors of The Dime Bank (the "Bank") hereby adopts this policy to govern the actions of the bank's management, staff, and agents, with regard to the legally-required maintenance of a "Do Not Call" list pursuant to 47CFR 64.1200(d) and any and all successors to that regulation.

It shall be the policy of the Bank that no employee or agent of the bank shall make unsolicited telephone calls to residential telephone subscribers who are not customers of the bank for the purpose of promoting or selling products or services of the bank.

Bank employees and/or agents may make telephone calls to existing customers of the bank for the purpose of promoting or selling bank products and/or services.

If any employee of, or agent for the bank receives a request from a residential telephone subscriber customer requesting that he/she be placed on the bank's "Do Not Call" list, the bank shall take prompt action to place the customer's name on its "Do Not Call" list within thirty (30) calendar days from the customer's request.

Once a bank customer's name is placed on the bank's "Do Not Call" list, no telephone calls will be made to the customer by bank employees and/or its agents for the purpose of promoting or selling bank products or services.

Residential telephone subscriber customers of the bank will always have the option to rescind their decision to have their name placed on the bank's "Do Not Call" list. In that event, these customers may then be telephonically contacted by the bank and/or its agents for the purpose of promoting or selling bank products or services.

POLICY RESPONSIBILITY:

The primary responsibility for the implementation of, and adherence to, procedures to ensure compliance with this policy shall be that of the bank's Marketing Officer.

POLICY AVAILABILITY:

Any member of the public may view this policy during regular banking hours, after first having made a reasonable request to do so, to the bank's Marketing Officer.

POLICY REVIEW AND REVISIONS:

This policy shall be reviewed, and may be revised, on an annual basis by the bank's Board of Directors.

As required by the
USA PATRIOT ACT

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all institutions making financial transactions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you:

- When you open an account, we will ask you for your name, address, date of birth, and other information that will allow us to identify you.
- We may also ask to see your driver's license or other identifying documents.
- In some cases, identification will be requested for those individuals who are already customers prior to the effective date of the customer identification requirements if original documentation was not obtained with the opening of the account.

As always, protection of your identity and confidentiality remains our pledge to you. Thank you for your understanding and for joining us in securing a safer tomorrow.

BILL PAYMENT SERVICE

The Bill Payment Service permits you to use your Internet-enabled device to direct payments from your designated online Bill Pay Account to third parties. Your Bill Payment Account must be a Dime Bank Checking Account.

All payments you make will be deducted from the account you designate as your Bill Payment Account for the Bill Payment Service. Any payments you wish to make through this service must be payable in U.S. Dollars to a payee located in the continental United States. We reserve the right to restrict types of payees. You should not use the Bill Payment Service to make payments to settle securities purchases, payments to interest bearing accounts, government payments, or court ordered payments. Payments for these payees will be your sole responsibility if delayed or improperly processed or credited.

Funds must be available in your Bill Pay Account on the scheduled payment date. If the date you schedule a payment to be initiated falls over a weekend, funds must be available in your Bill Pay Account on Friday. Any new payments scheduled over a weekend will be processed on Sunday night. If the date you scheduled a payment to be initiated falls on a holiday, funds must be available the day following the holiday. Your BPSP may make the payment either by transferring funds electronically to the payee or by mailing the payee a check.

You may choose to schedule payments to recur in the same amount weekly, bi-weekly, monthly, semi-monthly, quarterly, semi-annually, and annually. You should schedule a payment to a new payee at least five (5) business days before any payment due date for check payment, or three (3) business days before any payment due date for electronic payment.

For all subsequent check payments, you agree to allow at least five (5) business days between the date you schedule a payment to be initiated and the payment due date. For all subsequent electronic payments, you agree to allow at least three (3) business days between the date you schedule a payment to be initiated and the payment due date, that is, the due date shown on your invoice or provided in your agreement with the payee, not taking into account any applicable grace period. You will be responsible for all late fees, finance charges, or other action taken by the payee. If you schedule your payment and follow all instructions provided, but the payment is not received by the payee in a timely manner, notify your BPSP directly.

We will not be liable for damages you incur if you do not have sufficient funds in your Bill Pay Account to make the payment on the processing date, for delays in mail delivery, for changes to the payee's address or account number, for the failure of any payee to correctly account for or timely credit the payment, or for any other circumstances beyond our control.

If the session during which you schedule a payment ends by 11:00 P.M., Sunday through Friday, it will be considered to have been received on that day. Otherwise, it will be considered received on the following business day. For all entries made using the service, the time recorded by the Online Banking Service controls.

If your Bill Payment debit is received at The Dime Bank and there are insufficient funds to cover the payment, The Dime Bank will return the payment to the BPSP. An overdraft fee will be assessed per item by The Dime Bank, as set in the fee schedule relating to your Dime Bank account. When payment is returned to the BPSP, a block will automatically be placed on all accounts. No additional payments will be processed until the account is properly funded and the return is cleared. If a Bill Pay Return is received on a blocked account, the BPSP sends a letter stating that the payment will not be processed and a copy is sent to The Dime Bank.

The way to add, edit or delete a payment is to use the service. You may add, edit, or delete payments scheduled Sunday through Friday until 11:00 P.M. the day before the scheduled payment date. If you wish to stop a payment after it is issued, you must call the BPSP. Stop payment fee may apply, as set in the fee schedule.

THE DIME BANK PAYMENT PRIVILEGE CUSTOMER OVERDRAFT POLICY

An insufficient balance could result in several ways, such as (a) the payment of checks, electronic funds transfer, or other withdrawal request; (b) payments authorized by you; (c) the return of unpaid items deposited by you; (d) the imposition of bank service charges; or (e) the deposit of items which, according to the bank's Funds Availability Policy, are treated as not yet available or finally paid. The bank will charge a fee for overdrafts (a) created by check, (b) in-person withdrawal, or by ACH transactions. If you have Payment Privilege Overdraft Protection and you authorize us to pay ATM and everyday debit card transactions, we will also charge a fee for overdrafts caused by these transactions. We are not obligated to pay any item presented for payment if your account does not contain sufficient funds. However, if you maintain your account in good standing, by demonstrating good account management and avoiding excessive overdrafts, we will pay the items and charge the bank's standard overdraft charge of \$35.00 per item that overdraws your account. Your payment privilege should only be used to cover inadvertent overdrafts as a safety net to help in emergencies where you may have a shortage of funds in your account. You must bring your account balance to a positive balance within 30 days of the initial overdraft. We may approve overdrafts as a non-contractual courtesy. Normally we will not approve an overdraft for you in excess of your balance plus the overdraft charge. We may refuse to pay an overdraft for you at any time, although we may have previously paid overdrafts for you. You will be notified by U.S. Mail of any insufficient funds items paid or returned that you may have; however, we have no obligation to notify you before we pay or return any item. The amount of any overdraft plus our insufficient funds handling fee(s) that you owe us shall be due and payable upon demand. If there is an overdraft paid by us on an account with more than one (1) owner on the signature card, each owner, and agent if applicable, drawing/presenting the item creating the overdraft, shall be jointly and severally liable for such overdraft, plus our insufficient funds handling fee. You should note that your Payment Privilege limit might be

included in your available balance provided by a teller, through our Dime-on-Line internet banking, through our Dial-my-Dime 24 hour telephone banking service, as well as by phone from our employees.

Limitations: Available to individually owned accounts in good standing for personal or household use. The Dime Bank reserves the right to limit participation to one account per household and to discontinue this product with notice by letter or in-person.
