

QUICK-SWITCH CHECKLIST

At The Dime Bank we've helped many of our customers make a quick and easy switch of their bank accounts. It's as easy as 1-2-3!

Step 1. Open a Dime Bank checking account.

Step 2. Switch your direct deposit and automatic withdrawals:

- ✓ Submit the attached **Direct Deposit** form to your payroll department.
- ✓ Submit the attached **Change Automatic Withdrawal** form to creditors with automatic payments currently being deducted from your old account.

Step 3. Stop using your old checks.

Submit the attached **Close Account** form to your former financial institution. Make sure all checks written have cleared from your checking account and automatic payments for the month are complete before closing the account. Destroy old checks and debit cards.

To find the bank routing number for your checking account, look at the bottom of your checks for a series of numbers that look like this:

ROUTING # ACCOUNT # CHECK #
:031308551 : 0012345"▪ 250
