

MasterCard® Automatic Billing Updater

OPT-OUT FORM

Beginning mid-October 2017, your debit card will be automatically enrolled in MasterCard® Automatic Billing Updater (ABU) service. With ABU, MasterCard® will provide updates to participating merchants who maintain your debit card information on file to process your preauthorized payments. Examples of these merchants include subscription service providers, utility companies, etc., with whom you have set up automatic payments. This free service will allow participating merchants to obtain your updated debit card information when you receive a new debit card for any reason, such as an expired card and/or lost or stolen card.

You are automatically enrolled in this free service. The Dime Bank is providing you the ability to opt out of ABU should you choose not to participate.

To opt out, please complete and sign this form and deliver to your local Dime Bank branch or mail to:
