

The Dime Bank donated \$4,000.00 to American Readers Theatre

Pike County, PA / February 7, 2019 / The Dime Bank donated \$4,000.00 to the American Readers Theatre (ART) by way of the Educational Improvement Tax Credit (EITC) Program.

ART collaborates with the Delaware Valley School District (DVSD) to bring reading and history together for students of all ages through meaningful and integrated considerations of the life and works of one chosen author. This year ART and DVSD have selected the life and works of Helen Keller as the featured author for the Writer's Project. Students will learn about Keller's life, her writing, and her courage through writing, dramatic reading, and 'visual art in the dark' – painting portraits with all lights off!

ART Founder and Director Jeffrey Stocker stated, "ART would like to thank The Dime Bank for the many years of support and friendship. The Dime Bank's support through the EITC Fund has made it possible to continue ART's mission to promote literacy to the students of the Delaware Valley School District."
