

The Dime Bank Supports WVIA Public Media

The Dime Bank donated \$2,000.00 to WVIA Public Media through the PA Department of Community and Economic Development's Educational Improvement Tax Credit program. The EITC program gives The Dime Bank an opportunity to support quality agencies working to educate children.

society. WVIA is addressing standards and learning objectives through professional development, academic centered competition, and other educational resources. WVIA is positioned to provide multimedia services and has been a leader in the use of new technology as it has evolved from film, through videotape, two-way distance learning over ISDN, to web-streaming and podcasting.
